**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Why in the world would you want to enact procedure that threatens regulated wholesale access for small internet service providers. oh wait, maybe because of lobbying by larger profit driven companies ?

This is terribly shortsighted! The fact that we have these remarkable technologies is because of the innovation spawned by the many many independent actors.

Don't cave to profit in the short run. Support a diverse an vibrant community of small players. The large have profit enough. Given the opportunity they would choose more profit over the continued health of the industry. Don't sell out!!!
